As the information furnished by the Dy Comm^r in his Docket no 350 ref^d to on the top of this page, was no answer to the query of the II Councillor endorsed on page 6 of this note, enquiry was again made of the Dy Comm^r, who now reports that prior to the introduction of Sur: & Lett^s, the land was not a separate Sur: but that it was a vacant strip of land within the temple premises which had been converted into a flower garden. This vacant strip was it appears obtained by one Narasinga Rao in 1854-55 on condition of his improving it, An assessment of 0-14-0 was being paid for the benefit of the Temple but when in 1865 complaints were made to the unlawful enjoyment, enquiries were made & as at the time Cocoanut trees had come to be re-

no 604 18.2.05 Paper under disposal.

the assessment was raised to Rs 1-12 9 Hence, it is reported, that this strip of land was not shown in the Jain Swamis Accounts & omitted from the Operations of the Settlement. During Survey the land which was in the enjoyment of the petitioners' ancestors was constituted into a separate number (240) & assessed at Rs 5 in 1880-81. The pet.rs having protested against the increased assessment it was enquired into & decided that the land although fully assessed, was still temple property and the occupant was directed to either pay to the temple Rs 1-12-9 in addition to the assessment or to quit the land. At first this order was not heeded but latterly, the pet.rs promised to pay a lump sum of Rs 60 in lieu of the interest thereon viz Rs 1-12-9 being paid to the temple. Even this he is stated to have failed to do.

The Khata which was till 1893-94 in the name of Narasinga Rao, is stated to have since been transferred to Lakshminarasappa - the pet.rs.

There is no doubt that the land belongs to the temple and the petitioners are paying Rs 1-12-9 to the temple from the

introduction of the Survey Settlement which involves a Recurring annual Loss to Govt. of Rs 1-12-9 in addition to the assessment system is no alternative but to withdraw from the proceedings and Resident to attend on the Commissioner more advantageously & Secure.

ABSTRACT

Appeals against the 19
Comr's order No 335-
26-3-02. in the matter of
the flower garden of Sri
Kailaseswara Swami Temple
at Honnavalli, Tiptur Taluk.

Order.

(To the II Gent. Asst (Comr)

" The land in dispute
belongs to the S. No 141 "
which the temple claims
When I was in it is not
evidently found to be belong
ing to the temple. The
besides, maintenance

himself has admitted that
his ancestors were paying
every year Rs. 1-12-9 to the
temple for the enjoyment
of the land as garden. In
the Survey Settlement, the
land was assessed at Rs. 5-00
Only because it was thus
assessed, the rent cannot be
cancelled and his statement to the effect
that he will pay only the
assessed amount, cannot
be accepted. As the amount
of rent was paid to the
temple, the temple must be
considered as the superior
holder of the land. Therefore,
he must not only pay the
amount assessed in the
Settlement to the Govt, but
also he must pay to the
temple the usual rent
Rs. 1-12-9. This must be
clearly explained to him,
and if he consents, it
must be recorded, or if
he does not consent, his
Statement must be taken
In case he disagrees, he
may be dispossessed of
the land which will
be to some other

in behalf of the temple,
and arrangements
may be made so that
out of the entire income
the amount due to Govt.
(with cess) will be paid
to Govt. and the remain-
der be utilised for
the temple. There is
no necessity to wait
for permission of this
Hon'ble in the matter.
The Amildar of Tiptur
will be directed ac-
cordingly."

The petr. urges the
following grounds of
appeal:—

That it is against
law, records and cir-
cumstances of the case
that he should be dis-
possessed of the land
not paying the extra
amount, viz: rent — the
land which his ancestors
more than 40 centuries
has been enjoying for

possession, enjoyment, khata and all. I ~~for more than half a century~~.

That it is not just and inconsistent with Rules and Regulations, That a man should be compelled to pay more than what was fixed in the Settlement.

That it is contrary to law that the temple should be considered as Superior Holder and the petn. the Inferior Holder of the land which the petr's ancestors were given by Govt. with its khata.

For these reasons the petn. prays that the order appealed against may be set aside and pending the decision of this appeal, the execution of the order appealed against may be stayed

Sir,

With reference to your Official Memorandum No 318 dated 28th July 1903 calling for the entire records connected with the case in which Bagepalli Lakshmanaranappa has appealed to the Government against the order of the Deputy Commissioner directing him to pay a certain amount over and above the Survey assessment to the Kailaseswara Swami temple at Honnavalli of the Tiptur Taluk as his ancestors were doing, I have the honor to state that on 7th December 1897 one Thimmappiah of Honnavalli, Pensioned Head Gumasta, submitted a petition to the Government alleging that the Inam lands endowed to the Sri Kailaseswara Swami temple have been alienated; that another land in which the temple is situated is in the occupation and enjoyment of the appellant Naranappa,

and that for its better management Dharma
darsis may be appointed. This section have
been reserved for disposal to this office (vide
official memorandum No 616 dated 15th Decem-
ber 1899 from the Munzerai Secretary) an
enquiry was started and it was ascertained
that the 2 lands noted in the margin (vide
Extract of Quit Rent Register, paper No 18 in
vernacular records) were endowed as Inam
to the temple in question The garden land
No 326 is now in the possession of one Sunkada
Ramanna Pavam who seems to have purchas
(vide sale deed paper No 20 in file) ~~it~~ for Rs 95/-
from Nagappa, Shanbhog of Shankaranhelli
on the 29th September 1886, as also the land
No 223 from the same person without con-
sideration It is reported that Sunkada
Ramanna has arranged to get the worship
done regularly in the temple out of the proceeds
of these lands and he is now prepared to res-
tore the lands to Government if it is so decided

2 With regard to the land contended for by
the appellant, it was formerly a Hoovina Thot
(-flower garden) of the temple. This flower gar-
den was in the occupancy of the appellant's
ancestors, who, as admitted by appellant

used to pay to the temple annually a
sum of Rs 1-12 9 During the time of Survey
and Settlement it was treated as Survey
No 340, with an area of 1-10 and reserving 8 guntas
as kharab for the temple therein situated,
the rest of the area viz 1-2 was assessed at Rs 5/-
It is now in the enjoyment of the said Lakshma-
narayanappa for the past 20 years The Deputy
Commissioner, the late Mr B G Krishnangar
went to the spot and on personal inspection
was of opinion that though the land in question
appeared to be outside the precincts of the temple
yet it was really attached to it and that
Lakshmnarayanappa who was enjoying it must
be held to be an inferior holder. Accordingly
he passed an order to the effect that the
appeal petitioner should execute a Muchalika
binding himself to pay the Kandayam amount
of ~~Rs~~ 1-12-9 to the temple as previously agreed
to by his (Lakshmnarayanappa's) ancestors
at the time of their taking possession of the
said land, failing which he would be
deprived of the enjoyment of the land (vide
order No 335 dated 26th March 1913 in verna-
cular file) It is against this order that the
present appeal has been preferred On
further correspondence upon the subject

1 Mr. R. Ry Sankarla Ramanna narain of Hanamakonda.
2 Subba Rao, Shanbhog of Mutthahal Taluka.

notice was served to appellant to appear before the Deputy Commissioner and his statement was recorded on 13th May 1903 Lakshminarayanappa has agreed to pay rs 60/- once for all in lieu of the annual payment of rs 1-12 9 and wished to have the undisturbed possession of the land in question, but as yet he has not paid up the amount

3 As regards the appointment of Dharmadarsis to manage the temple affairs the Shikdar proposes the names of the marginally noted persons and I recommend that they be accepted. 903

Enclosure No. 1 file

In reply to Mulgund
Secretary's docket No 2133
dated the 22nd November 1904
enquiring why the land
Survey No 340 belonging to
Sri Kyleswara Swami temple
at Honnavalli in the Tiptur
Taluk was fully assessed
during the Survey Settle-
ment, &c, undersigned
has the honor to state that
prior to the introduction
of Survey and Settlement

the land in question was not a separate Inam land endowed to the temple like survey nos: 223 and 326 which are treated as Inam but it was only a vacant strip of land within the temple premises which had been converted into a flower garden for the use of the temple.

2 About the year 1854-55, one Narasinga Rao who had obtained the adjoining land for cultivation on behalf of his relative Bageppalli Subba Rao, formerly Amildar of Honnavalli, obtained the said vacant strip also with the consent of the villagers on condition of his (Narasinga Rao) improving the strip by levelling and planting it up with cocoanut trees and flower plants. A sum of Rs 14-4 is stated to have been paid by Bageppalli Subba Rao as assessment for the same for the benefit of the temple. Subsequently, i.e., in 1865 on the complaint of one Sivappa alleging that the temple land had

had been in the unlawful enjoyment of the present petitioner's father, a detailed personal enquiry was held into the matter, by the Amildar which stated that the land remained in the possession and enjoyment of Munshi Subba Rao (petitioner's father). By this time the Accounts trees having come into bearing the small assessment of Rs 14-0 was, on the Amildar's recommendation raised to Rs 1-12 0 by the then Deputy Commissioner. Since the said strip of land, situate within the temple premises, was not shewn in the Jari Inami accounts and was consequently omitted from the operations of the Inam settlement.

3 During the Survey Settlement however the land having been shewn as in the enjoyment of the petitioner's ancestor, the whole strip of the land in question and the temple was constituted into a separate numbering,

survey No 340. to extent of 4 G 1-8, on which the temple building and a well, stand was declared as kharab and the remaining 4 G 1-2 was assessed at Rs 5/- in the year Vibrama (1880-81).

4 The petitioner having protested against paying Rs 1-12-9 in addition to the assessment of Rs 5/- imposed on the land. Mr B.G. Krishnaiyer, the then Deputy Commissioner, who inspected the spot held that the land, though fully assessed at the survey Settlement, was undoubtedly the property of the temple, the holder thereof being Sri Kylaseswara Swami and directed that the petitioner must either continue to pay to the temple the sum of Rs 1-12-9 in addition to the assessment payable to Government or to quit the land. The petitioner did not heed this order, and when subsequently, he was called upon to produce any documentary evidence in support of his contention he

the (petitioner, appeared before the In.S Narayana Rao and promised in writing to deposit a sum of Rs 60/- by the end of August 1903 to be invested in the Govern. ment Savings Bank to the benefit of the temple, the interest realizable thereon (Rs 1-12-9) being utilized for expenditure in the temple. He has failed to do this.

5. The khata was, till 1893-94, in the name of Narasinga Rao and has since been transferred to the petitioner Lakshmi-narasappa

lands ~~unregistered~~ belonging
~~Devadaya Inam~~ to the
~~Kotteswaraswami~~ Kylasaswaraswami temple

the applicant, was in the

one Lankada Ramanna

it was ascertained
in the local enquiry
that the appellant was (I.L.R. 3 M 340)
enjoying the land paying
only Rs 1-12-9 to the
temple and not Rs 5
which was the assessment
imposed on the land
in addition, during the
Survey Settlement of
1880-81, and that
Lankanda Ramanna
had arranged to get-

therefore directed in the case

2. With reference to the land in the enjoyment of the appellant viz S. no 340, the Govt observe that his objection cannot be accepted, as the Inamy assessment must be paid to Govt and as the temple, to which the land clearly belongs, cannot forego the amount due to it- as the Inamdar. The marginally noted lands belong to the Sri Kylaseswaraswami temple at Honnavalli in the Tiptur Taulk. Lakshminaranappa, the appellant, was in the enjoyment of Survey No. 340, paying Rs. 1-12-9 to the temple; and one Sunkada Ramanna is in the possession of Survey Nos. 326 and 223, having purchased them from one Nagappa in 1886. Complaints having been received that the temple lands in question had been alienated to third parties contrary to rules, it was ascertained in the local enquiry that the appellant was enjoying the land (S. The present appeal from Lakshminaranappa is against this order. He contends that he cannot be made liable to pay anything to the temple, so long as he pays the full survey assessment on the lands in question. The Deputy Commissioner did not pass any orders as regards the lands in the possession of Sunkada Ramanna.

2. With reference to the land in the enjoyment of the appellant, *viz.*, Survey No. 340, the Government observe that his objection cannot be accepted, as the survey assessment must be paid to Government and as the temple, to which the land clearly belongs, cannot forego the amount due to it as the inamdar. If the appellant refuses to pay the amount of Rs. 1-12-9 in addition to the assessment due on the land, he may be ousted from its possession and it may be leased out to others on the same or more advantageous terms.

3. The appellant prays that the lands may be left in his undisturbed possession receiving from him a lump sum of Rs. 60 in lieu of the annual payment of Rs. 1-12-9 to the temple. Such commutation is not possible, as has been already observed in the Government Proceedings No. R. 338-400—R. F. 28-1902, dated 24th February 1903. The Deputy Commissioner is requested to inform the appellant accordingly.

Sir,

With reference to your letter No.3764 dated 31st Ultimo, I have the honor to state that both in the original order of the Deputy Commissioner and in the final - appeal proceedings of Government referred to therein, it is mentioned that Bagepally Lakshminaranappa gave a deposition admitting that his ancesstors were paying a sum of Rs,1-12-9 annually to the temple for the enjoyment of the land in question and that he wanted this liability to be commuted to a lump sum payment of Rs 60/-and odd- once for all. Before forming my opinion on the legal aspect of the matter contained in the notice sent to the Deputy-Commissioner by the said person, it is necessary to peruse the said statements and also to be informed when and under what circumstances the said payment ceased to be paid and whether such cessation of payment amounted to a denial of his tenancy under the temple or to a mere nonpayment of the rent as there was no regularly constituted committee to receive the same, without involving the assertion of an independant right in himself inconsistant with the right- of the temple as landlord. An earlyreply in these respects is requested as the time mentioned in the notice has already expired.

The file of papers received ~~are~~ herewith returned.

Office of the Government Advocate in Mysore.

Bangalore, dated the 27th May 1907.

From,

The Government Advocate in Mysore.

To,

The Secretory to the Government of H.H. the Maharaja of Mysore Muzrai Department.

Sir,

Adverting to the correspondence ending with your letter No.5497 dated 22nd Instant, I have the honour to state as follows:-

It is not clear whether the land is a Devadaya Inam. If it be one, it may, I think, be dealt with under the Inam Rules in force and no civil court will have jurisdiction to question the decision of Government arrived at under the Inam Rules.

2. On the other hand, if it be an assessed land belonging to the temple and wrongly included in the patta of Lakshminarnappa at the time of the survey and settlement, we have to see whether the temple lost its right to the same.

3. Lakshminarnappa, alleges in his petition dated 13th May 1902, that he was paying to the temple annually a sum of Rs.1-12-9 till the survey and settlement, (which must have taken place nearly 30 years ago) that as the temple land and his own land were at the survey made into one number and entered in his holding, he discontinued to make the said payment to the temple and paid the assessment fixed on the whole land to Government direct. He seems to have enjoyed the land eversince as his own and those interested in the temple do not seem to have troubled themselves

about this land during all these thirty years. From the - Canada file forwarded I am led to infer that there is no evidence forthcoming to contradict the several allegations of Lakshminarnappa as setforth above. In these circumstances it is clear that the right of the temple to the land is barred by the Law of Limitation and that there is no subsisting relationship of landlord and tenant between the temple and Lakshminarnappa who is not therefore bound to pay the - said amount of Rs.1-12-9 to the temple.

4. Lakshminarnappa's consent to pay a lump sum of Rs.60/- in lieu of the annual payment of the said sum of Rs.1-12-9 does not amount to a fresh contract and cannot be enforced if his heirs mean to back out of it. (Lakshminarnappa is reported by Amildar to have died some time ago). If his heirs be still willing to make the payment of Rs.60/-, I am of opinion, the amount may be accepted in lieu of the annual payment.

The Canada file is returned herewith.

Your most obedient servant.
